Dear Fruit and Vegetable Growers:

The 2010 Kentucky Fruit and Vegetable Conference and Trade Show will again be at the Embassy Suites Hotel, Lexington, KY, Monday and Tuesday, January 4 and 5, 2010. Highlights of this year's meeting will be a pre-conference Record Keeping Training, a Midwest Apple Improvement Association session where new selections can be tasted, and sessions on Farmers' Markets, Commercial Fruit and Vegetable Production, Small Fruit Production, Organic Farming and Gardening, Woody Cut Stems, the Grape and Wine Short Course, Winemaking, Marketing, Food Safety - Good Agricultural Practices Training and Third Party Audit Preparation. We have many excellent out-of-state speakers this year.

The KVS will have an optional Celebration of Kentucky Wines featuring Kentucky wines prior to the banquet. Drew Graham, Assistant to the Dean, Director of Advancement, UK College of Agriculture, Lexington, KY will speak on Interacting with the Kentucky Legislature and Dr. Thomas Barnes, U.K. Extension Wildlife Specialist will provide an entertaining discussion of Wildflower Myths and Realities at the banquet.

We will have a Trading Post bulletin board to sell used equipment. If you are looking for equipment buyers, bring along a description containing your name, phone number and the equipment price.

PLEASE make your room reservations directly with the hotel. Our block of rooms will be held until Jan. 1, 2010. Be sure to let the hotel know that you will be staying for the Kentucky Fruit and Vegetable Conference to obtain our special suite room rate (they are all suites) of \$109.00. This includes an evening managers reception with drinks and a full cooked-to-order breakfast daily. We encourage growers to stay at Embassy Suites Hotel to support meeting overhead expenses. Note: if the hotel parking lot is full, meeting attendees may park along Aristides Street in front of the hotel.

The \$30 meeting registration fee includes a year's membership in the KVGA, KSHS or OAK and entrance into the Midwest Apple Improvement Association session or Grape & Wine Short Course. Membership in the KVGA also allows growers to use pesticides that have received 24c registrations for Kentucky. Please see the registration form to become a member of the Kentucky Vineyard Society and to sign up for the meal functions and the Celebration of Kentucky Wines.

The enclosed registration form enables you to register in advance so your tickets and name tags will be ready for you when you arrive at the meeting. **NOTE: WE STRONGLY URGE YOU TO PRE-REGISTER. BANQUET AND LUNCHEON TICKETS CAN ONLY BE PURCHASED BY ADVANCE REGISTRATION. NAME BADGES WILL BE REQUIRED TO ENTER MEETING ROOMS. PRE-REGISTRATION FORMS NEED TO BE IN OUR HANDS BY FRIDAY DECEMBER 18, 2009.** If you would like to serve on the KVGA or KSHS boards of directors or would like to nominate another member, please designate this on your registration sheet.

If circumstances are such that you cannot attend the meeting, please complete and return the form to Ms. Mary Ann Kelley, Research & Education Center, P.O. Box 469, Princeton, KY 42445 to continue your association membership.

Sincerely

Robert Stone, President
